## External Drive Piezo Transducer SPT04 series

### DIMENSIONS

Date : 22 Jan.,2013

Ref no. : QS027-R

### ELECTRICAL SPECIFICATIONS

|                            |                                                    |
|----------------------------|----------------------------------------------------|
| Model No.                  | PT04-170740APR                                     |
| Sound Pressure Level       | 85 dBA min. [12 Vp-p<br>Square Wave, 10cm, 4000Hz] |
| Capacitance                | 12000 pF +/- 30% at 120Hz                          |
| Max. Input Voltage         | 30 Vp-p                                            |
| Operating Temperature [°C] | -20 ~ +60                                          |
| Terminal                   | PIN                                                |
| Housing Material           | ABS                                                |
| Housing Colour             | Black                                              |
| Weight [gm]                | 2                                                  |
